

Signature™ Sig-Feed

The Precise, Reliable and Sure Feeding Solution
for any folder-gluer...

EASY TO OPERATE

- Installs in minutes on any folder-gluer with simple 'roll-up and lock-in' design.
- Ergonomic design requires little effort to load blanks into Sure-Feed, reducing operator fatigue and stress.

PRECISE FEED CONTROL

- A consistent stream of shingled, aerated blanks is carried to the folder-gluer.
- Achieves constant operating conditions, assuring consistent feeding at any speed.
- Uniform pile heights achieved using a proximity switch and is easily adjustable.
- Sure-Feed speeds are fully adjustable using AC variable speed drive.
