

Durability, Versatility, Affordability

ALBATROSS

SIGNATURE ALBATROSS

The Signature brand of converting equipment is designed to meet the growing needs of today's corrugated converters through innovative design, quality construction and aggressive return on investment.

The Signature Albatross corrugated folder gluer is designed to convert large format straightline, lockbottom, and 4/6 corner products made of heavy solid board (32-60 point or 800-2000 gm²), corrugated board (N to A flute plus various double wall combinations) and folding carton material (up to 35 mm). The Albatross is capable of run speeds up to 350 m/min and inching speeds up to 20 m/min.

FEATURES

WIDER FEED BELTS

for additional control of oversized blanks moving into the alignment section.

EXTENDED ALIGNMENT SECTION

to receive and control up to 3,000 mm width blanks free and clear of overlapping in adjoining sections.

AUTO MAKE READY DEVICE

Saves carrier location settings for future retrieval. Available for the feeder, glue and final fold sections.

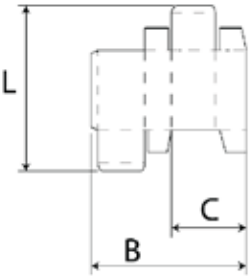

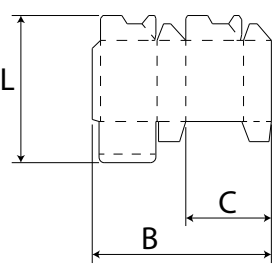

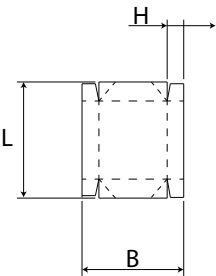

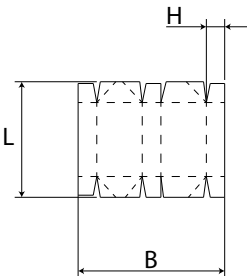

MACHINE SPECIFICATIONS
