

Durability, Versatility, Affordability

ALBATROSS SL

SIGNATURE ALBATROSS SL

Time and money drive buying decisions. Trust Signature to provide the productivity you deserve, in the time frame you need, at a price you can afford.

The Signature Albatross SL straightline corrugated folder gluer is designed to run large format blanks made of heavy solid board 32-60 point (800-2000 gsm), corrugated board from N to A flute plus double wall combinations and folding carton material up to 10 mm. Capable of run speeds up to 180 m/min and inching speeds up to 20 m/min, the Albatross SL is the workhorse to support your straightline corrugated business.

FEATURES

FEEDER
Motorized feed system with separate belt track and vacuum suction belt.

SPANKER
Realigns blanks that flow out of the final fold section for better blank control.

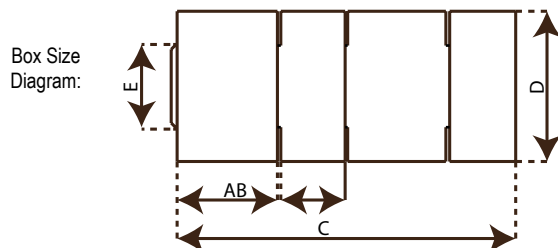

CREASING LINE PRESS ROLLER
Supports perfect folding by re-pressing the crease lines created by the diecutter.

AUTO MAKE READY DEVICE (Option)
Saves carrier location settings for future retrieval. Available for the feeder, glue and final fold sections.
