

COMPACT

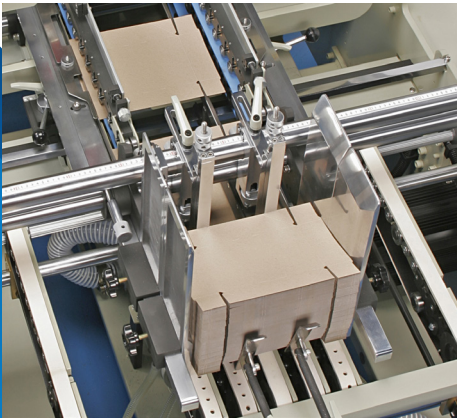

For small carton production with
a condensed footprint

SMALL BOX CHAMPION

The Signature Compact is engineered specifically for small carton applications or short-run production all within limited floor space.

ADVANTAGES

- ▶ **Ideal for small cartons** – including lock bottom and straight line cartons
- ▶ **Requires minimal floorspace** – a reliable machine with a limited footprint
- ▶ **High-speed performance** – run speeds up to 425 m/m
- ▶ **Affordable and scalable** – well-suited for startups and expanding operations

APPLICATIONS

- ▶ Cosmetic, pharmaceutical, vending, and other specialty packaging industries.
- ▶ Short-runs for custom or seasonal product lines.
- ▶ Supplemental or backup for high-volume operations.

THE SIGNATURE DIFFERENCE

Every Signature Folder Gluer is built for long-term performance and crafted with the operator in mind. From durable construction to intuitive design, each model delivers exceptional ease of use and dependable accuracy. With versatile configurations and custom options tailored to your production needs, Signature machines are engineered to grow with your business – delivering reliability, precision, and flexibility run after run.

BASELINE FEATURES

1 High Performance Feeder Section

Servo motor drive allows for precise spacing out of the feeder. Pneumatic lift system for all feed section tooling.

2 Off-Set Carrier Belts

Lower carrier belts are wider than top belts for maximum support.

3 Motorized Carriers

Indicators for precise and easy make-ready on repeat jobs.

Optional Auto Jog reduces set-up time.

4 Compression Section

Two-stage pneumatic pressure control for accurate glue bonding.

5 Versatile Pre-Break Section

For 180-degree first and third score prebreak and compound folding options.
