

ELITE

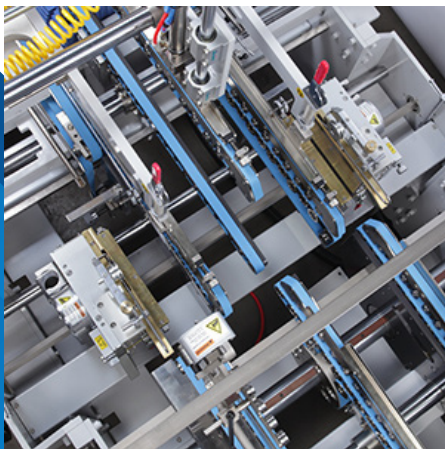

For high-speed carton production with advanced versatility and precision control.

WHERE SPEED MEETS PRECISION

The Signature Elite is designed for demanding production environments, combining high-performance with dependable accuracy and streamlined setup.

ADVANTAGES

- ▶ **High-Speed Performance** – Run speeds up to 1,800 feet per minute (550 m/min) for demanding production environments.
- ▶ **Expanded Carton Capabilities** – Designed to run straight line, lock bottom, 4&6 corner, and double wall cartons.
- ▶ **Faster, Smarter Make-Ready** – Motorized carriers with indicators for complex carton styles requiring speed and precision.
- ▶ **Built-In Folding Accuracy** – Signature carton alignment section ensures consistent, precise folding at high speeds.

APPLICATIONS

- ▶ High-volume folding carton production
- ▶ Food, beverage, and pharmaceutical packaging
- ▶ Operations demanding reduced set-up time and repeat-job efficiency

THE SIGNATURE DIFFERENCE

Every Signature Folder Gluer is built for long-term performance and crafted with the operator in mind. From durable construction to intuitive design, each model delivers exceptional ease of use and dependable accuracy. With versatile configurations and custom options tailored to your production needs, Signature machines are engineered to grow with your business – delivering reliability, precision, and flexibility run after run.

BASELINE FEATURES

High Performance Feeder Section

Servo motor drive allows for precise spacing out of the feeder. Pneumatic lift system for all feed section tooling.

Versatile Pre-Break Section

For 180-degree first and third score prebreak and compound folding options. Dedicated 8-foot versatile prebreak section.

Crash-Lock Bottom Attachments

Designed as a single-clamping system that can be preassembled and quickly positioned to reduce set-up time. **Optional** Fast Fold feature for high-speed lock bottom without fingers.

Pneumatic Center Carrier

In final fold section allows for faster make-ready for small cartons.

Compression Section

Includes two-stage pneumatic pressure control for accurate glue bonding. **Optional** in-line carton ejector for efficient quality control without job interruption.

PAIR YOUR ELITE WITH

Sig-Feed Prefeeder

Sig-Pack Auto Packer (In-Line or L-Shape)

Sig-Check Print Inspection (Roll-up, In-Line, or Stand-Alone Options)

YOUR ELITE, YOUR WAY

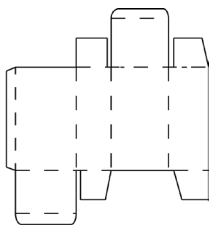

Choose from optional upgrades to tailor performance to your needs:

- ▶ Fast Fold System
- ▶ Servo Backfold System
- ▶ Nick Breaking System
- ▶ Turning Station
- ▶ Semi and Fully Computerized Make-Ready
- ▶ In-Line Carton Ejector compatible with all glue systems
- ▶ Small Carton Attachment
- ▶ **Plus more options available!**
